

Re: Information about the processing of your personal details

Pursuant to the effects of Italian Legislative Decree dated 30th June 2003, n.196 Personal Data Protection Code (hereinafter the "Code") and EU Regulation 2016/679 on Data Protection, we are hereby notifying you that your personal details will be processed by the Data Processing Controller specified below.

For the sake of clarity, please take note of the meaning of the following terms:

Processing: any operation or set of operations, handled with or without the use of automated processes and applied to personal details or sets of personal details, such as the gathering, recording, organisation, structuring, storing, adaptation or modification, extraction, consulting, use, communication by means of transmission, publication or any other form of provision, comparison or interconnection, limitation, deletion or destruction.

Personal details: any information concerning a physical person identified or identifiable («the interested party»); a physical person is considered identifiable if they can be identified, directly or indirectly, with particular reference to an identifier such as a name, identification number, details relating to the location, an online identity or one or more elements that are characteristic of their physical, physiological, genetic, psychological, economic, cultural or social identity.

1. Identity and contact details of the data processing controller
