TERRE DI CANOSSA
Rally

Edition 2026

The 2026 edition will be set against the enchanting backdrop of Forte dei Marmi, a true gem of Versilia. This renowned Tuscan town marks the end of the “Marble Road”, built at the wish of Michelangelo Buonarroti to transport marble from the Apuan Alps. Its beauty and location make it the ideal starting point for Terre di Canossa.

For the occasion, participants will stay for three nights at the 5-star Augustus Hotel & Resort. Nestled in a spectacular landscape between the coastline and the pine forests framed by the Apuan Alps, this luxury resort perfectly combines elegance and glamour.

The welcome reception and registration will take place on Thursday, 7th May.

The driving route will offer participants a unique 600-kilometre experience through breathtaking coastal scenery, pristine mountain passes, and charming historic villages. The three stages will be dedicated to exploring the Tuscan hinterland, the iconic Tyrrhenian coast, and, above all, Italy's emblematic art cities such as Lucca and Pisa.

These landscapes blend the beauty of the roads with history, art, culture, and a cuisine that alone is worth the journey!

Terre di Canossa is a “supertouristic” regularity race dedicated to historic cars built up to 1987, with some exceptions for later classics up to 2000 and modern supercars from 2001 onwards. The event features thrilling time trials, average speed tests, and new challenges designed to put participants' driving skills to the test.

Terre di Canossa is an opportunity to experience **unforgettable moments among splendid cars, a true spirit of competition, and first-class tourism.** It is a gathering place for gentlemen drivers and gourmet enthusiasts, featuring exclusive evenings in unique and evocative locations, and culinary experiences that blend traditional recipes with the creativity of the region's finest chefs.
